Updating with a couple of new invites for Friday's call and to reserve a conference line in case we have more than six people on the call. Shaun, fell free to forward this to anyone else from your side who you'd like to join. We may have someone from our permits section on the call.

Conference line: [Ex. 6 Personal Privacy (PP)] ID: [Ex. 6 Personal Privacy (PP)] (I will enter the pin to open up the conference line before the call).

I'm putting together a call with ACHD to discuss their modeling protocol for the Invenergy project in Elizabeth Twp Allegheny County. Just holding the meeting room and one of our conference lines. Attached protocol that Shaun sent me.
